GOBIERNO TERRITORIAL AUTÓNOMO
DE LA NACIÓN WAMPÍS

PRONOUNCEMENT:
WAMPÍS NATION IN EMERGENCY AND MOBILIZATION! NO TO LOT 64! WE REJECT THE OIL LOT AND DENOUNCE THE MANIPULATION BY PETROPERÚ AND THE PERUVIAN STATE!

The GTANW (the Autonomous Territorial Government of the Wampís Nation), the sole legitimate voice of the Wampís people, hereby declares to the national and international public, the Peruvian State and oil companies:

1. OUR VOICE WILL NOT BE USURPED!

We categorically deny the false news alleging supposed and fabricated 'community support' for Lot 64, citing provincial mayor Wellinton Silvano or the non-existent 'organization' FASAM. This is a crude invention and manipulation aimed at investors and public opinion! Neither state officials nor external organizations have the authority to decide on our ancestral territory. Only the GTANW, which unites the 87 communities of our people, can express the will of the Wampís.

2. NO TO LOT 64 IN WAMPÍS TERRITORY!

We reiterate our historic decision, made at successive Summits of all our communities, which is firm and non-negotiable: **We totally reject any oil activity in Lot 64.** This illegal project encroaches upon our territory, endangering our rivers, forests and way of life. It is not being carried out in accordance with our protocol for relations with the Peruvian State, which provides for horizontal dialogue based on mutual respect. Neither the Government of Dina Boluarte nor Petroperú or Perúpetro has communicated with us. It does not have, nor will it ever have, our free, prior and informed consent (FPIC). It violates our fundamental rights, ILO Convention 169, the jurisprudence of the Inter-American Court of Human Rights and the UN Declaration on the Rights of Indigenous Peoples.

3. WARNING TO PETROPERÚ, PETROTAL, CNPC, ARAMCO AND OTHER INTERNATIONAL INVESTORS!

Petroperú is seeking a partner for Lot 64. We hereby issue a warning to PETROTAL, the China National Petroleum Corporation (CNPC), Aramco and any other national or international company: Investing in Lot 64 without the consent of the GTANW involves assuming immediate and permanent unacceptable risks:

- Legal: Lawsuits for rights violations at national and international levels.
- Operational: Permanent social conflict. There will be no peace in which to operate!
- Reputational: You will be complicit in abuses and the destruction of the Amazon before the world. Furthermore, you will be associated with the disastrous environmental and social track record of

GOBIERNO TERRITORIAL AUTÓNOMO
DE LA NACIÓN WAMPÍS

Petroperú, including the more than 1,000 areas it has destroyed, permitted, tolerated and covered up without ever remediating them, as well as the dozens of spills from the poorly maintained North peruvian pipeline over the last 50 years.

4. WE DEMAND OF THE PERUVIAN STATE!

- IMMEDIATE and DEFINITIVE cancellation of Lot 64.
- Absolute respect for our way of life, free from the oil inferno, as well as for our autonomy, territory and right to make our own decisions.
- Respect for our Autonomous Territorial Government and our ancestral territory.

5. CALL FOR SOLIDARITY!

- Mobilise allies worldwide to influence public opinion in Canada, China and Saudi Arabia, and urge these three transnational corporations to cancel the project, which conflicts with the Amazon and indigenous peoples.
- We ask Peru and the rest of the world to support our struggle for justice, life and the Amazon.

THE WAMPÍS TERRITORY IS NOT FOR SALE — IT IS DEFENDED!

NO TO LOT 64!
